### City of Evanston Construction along Sheridan Road

The City of Evanston will be installing a steam pipe along Sheridan Road beginning in June 2009, which may affect vehicular access to the residence halls. CTD, in conjunction with Northwestern University, is communicating with city personnel to identify thoroughfares along Sheridan Road. CTD will post information to the website as it becomes available. Please plan ahead and allow extra travel time as construction may impede campus access and slow traffic. Please check the CTD web site ([www.ctd.northwestern.edu/summer/newsandnotes](http://www.ctd.northwestern.edu/summer/newsandnotes)) for updates closer to Opening Day.
