

2011 SUMMER PROGRAM FINANCIAL AID APPLICATION

CTD wants to support students who can benefit from programs but are unable to afford the entire summer program fee. Financial aid is awarded as requests are received beginning in January 2011. Families are encouraged to apply early as the amount of aid available is limited and may be exhausted before the May 16 (June 10 for Leapfrog) application deadline. Families will not be considered for financial aid until all financial aid materials are complete and have been received in the Summer Program office.

Notes:

- The amount of financial aid awarded varies from partial to full funding, and awards are based on family income and extenuating circumstances (e.g., loss of job, unforeseen medical expenses, etc.) Most families awarded aid have a total household income of less than \$50,000.
- Financial aid is awarded for no more than one session of Spark, Solstice, Apogee, Spectrum or Equinox or two half-day Leapfrog courses or one all-day Leapfrog course per child.
- The amount of financial aid granted and the balance due are reflected on an invoice included in the acceptance materials. Any outstanding balance must be paid by June 10, 2011, unless arrangements have been made with CTD for a payment plan.

Financial Aid Application Requirements: To be eligible for financial aid, students must submit the materials listed below.
