

2007–2008 FINANCIAL AID INFORMATION AND APPLICATION-GLL

Financial aid for the Gifted LearningLinks Program is awarded only to students who can benefit from a Gifted LearningLinks course and who demonstrate genuine financial need. To be eligible for financial aid, students and their families must submit a complete Application for Admission form, including a non-refundable deposit (\$100 for Enrichment courses [grades 3 to 8]; \$200 for CTD Honors and AP courses [grades 6 to 12]), and a completed Financial Aid Application, including current federal tax information and all other items listed demonstrating financial hardship. Future financial aid consideration may be affected by quality of participation and successful completion of class.

If you are applying for EPGY financial aid, contact EPGY directly at <https://epgy.stanford.edu/applyandregister/epgyapplication.html>.

Notification of award will be made prior to the beginning of the session. The tuition bill will reflect the amount of financial aid granted and the remainder due on the account. Most families receiving financial aid last year had an adjusted gross income of less than \$50,000. If you have any questions, please contact the CTD Gifted LearningLinks office at 847-491-3782.
