

# SATURDAY ENRICHMENT PROGRAM FINANCIAL AID APPLICATION

## Spring 2008

Financial aid for the Saturday Enrichment Program is awarded only to students who can benefit from a Saturday Enrichment Program course *and* are unable to afford the entire program fee due to demonstrated financial hardship. To be eligible for financial aid, students and their families must submit a complete Application for Admission form, a deposit of \$75 and a complete Financial Aid Application, including current federal tax information, demonstrating financial hardship.

Notification of award will be made prior to the beginning of the session. The tuition bill will reflect the amount of financial aid granted and the remainder due on the account. If you have any questions, please contact the CTD Saturday Enrichment Program office at 847-491-3782, ext. 2.

Financial aid applications will not be accepted after March 29. Future financial aid consideration may be affected by quality of participation and successful completion of class.
