

SUMMER PROGRAM 2008 TEACHER RECOMMENDATION FORM

To the Applicant

If you are applying by Admission Portfolio, please complete the information in this section and give this form to two teachers (please duplicate this form for teacher #2) who are familiar with your work. Include information about CTD and a copy of the course description for the courses for which you are applying. **Choose teachers from whom you have taken courses that are similar to those you have listed in your course preferences.** Homeschoolers should choose non-family adults who are familiar with the student in a learning context. Examples include a coach, music instructor, religious school teacher, mentor, co-op teacher, etc. Your teachers should place this form and the attached letter of recommendation in a sealed envelope with a signature over the flap and return it to you. You should include the sealed letters with your application. If this is not possible, you may have your teacher return the recommendation directly to us. As a courtesy, you might provide him or her with a stamped envelope addressed to the CTD Summer Program.

To the Teacher

The Center for Talent Development (CTD) at Northwestern University provides educational programs and services for academically talented students in grades PreK-12. The CTD Summer Program is intended to provide academic courses that challenge students in their areas of strength. Leapfrog and Apogee One-Week students take one-week enrichment courses that meet daily. Students in Apogee, Spectrum, and Equinox take an intense, academically challenging course that meets five hours per day for three weeks. We would appreciate your thoughtful reflection on whether this student would succeed in this program. We have asked the student to provide you with a copy of the course description(s) and admission requirements for the course(s) s/he is interested in, for your information in completing this form. If you have further questions about the program, please contact us at 847-491-3782.

Science reasoning ability (for science course)				

Within the context of your school/organization, how would you characterize the level at which the student is currently working in the subject area(s) described on the previous page?

- At grade level
 One grade above
 Two grades above
 Don't know

Please rank the student's likelihood of succeeding in a fast-paced, accelerated summer course?

- Very likely
 Likely
 Somewhat likely
 Not likely

Please attach a letter that responds to the following:

- The student's ability to succeed in the course(s) s/he selected.
- What might the student contribute to a classroom of academically talented students?
- Any academic concerns you have about the student participating in a rigorous summer academic course.

Thank you for agreeing to submit a recommendation in support of this applicant for admission to the CTD Summer Program at Northwestern University. Please place this form and the letter of recommendation in a sealed envelope with your signature over the flap and return it to the student. If this is not possible, mail or fax the recommendation directly to:
