

# Center for Talent Development

## CTD Encounters

CTD Encounters provides bright, curious students an immersive, experience that delves deeply into a defined topic within a larger field of study. Expert teachers use hands-on, collaborative methods that support student creativity, inquiry, and investigation.

- For students PreK - Grade 6
- Single-day, 3 hour experience
- Deep dives into high interest topics
- An engaging classroom experience involving a variety of small and large-group activities
- Open-enrollment: no eligibility documentation required for participation
- Free parent workshops available while students are in class
