2019 Leapfrog Before Care Overview for Families

Each Leapfrog – Spark site will be offering early drop off for students. For Skokie, Naperville, Palatine, and Lake Forest, CTD will supervise Before Care. In Chicago, GEMS World Academy will be offering early drop off and after care to all families attending summer programming at their site.

For Skokie, Naperville, Palatine, and Lake Forest:

- There is no extra fee for CTD Before Care. There is a fee for GEMS Before Care, although we don't have information on the fee just yet. *Students at all sites must be registered in order to participate.*
- The sign-up page will be available for parents to register in early May.
- Parents must walk their child to the Before Care location for drop-off.
- Students may be dropped off at Before Care at any time between 8:00 am and 8:45 am. After 8:45 am, parents must wait for drop off to the classroom.
- Students may bring a peanut / tree nut free snack to eat during Before Care.
- During Before Care, students can read, play cards, draw, or play board games.
- At 9am, students will be escorted to their class by a teaching assistant.

Please check the Leapfrog – Spark website again in May, when the Before Care application will be available. More details are to come regarding Before Care for Chicago GEMS World Academy, or you may wish to contact GEMS directly regarding Before Care.

Thank you for your interest!
